

First Night[®] Mapewood/South Orange

The Best Entertainment One Night Each Year!

URGENT MEETING – Will First Night Mapewood/South Orange Continue???
Attend the Annual Meeting on March 31, 2010, 7:30 p.m.
Burgdorf Center in Mapewood

Dear Neighbor:

Please plan to attend this meeting! Your input, as a member of this community, is urgently needed to ensure that our community celebration of the arts continues for a 20th season.

Without new members and fresh ideas, any organization grows stale and loses its momentum. That is why we are writing to you now. Please attend the meeting on March 31st – and bring a neighbor! We need your ideas, your energy and yes, we are asking you to get involved.

The First Night board and numerous volunteers work diligently throughout the year to put on this New Year's Eve festival of the arts in a drug and alcohol-free environment. Many skills and talents are required to bring it all together. No one can do it alone.

You CAN make a difference! We would like you to consider becoming a board member. If you cannot do that, please consider what you can do. Can you give an hour here and there? Whatever your talents and abilities are, there's something you can do for First Night as a volunteer.

If you have never attended a First Night, come find out what we're all about. First Night is about our two towns, our neighbors. It's a cost-effective gala where we can come together and celebrate, ringing in the New Year with music, dance, drama, good food and much, much more.

Information will be available at the March 31st meeting about what goes into putting on the First Night event. Board members will be there to answer questions. This year will be our 20th anniversary. But we must have new membership now in order to make it happen. Please – won't you join us?

Questions? Leave a message at 973-763-4778 and select '4' or go to the First Night website at www.firstnightmwsso.org and click on info@firstnightmwsso.org.

DON'T LET THIS NEW YEAR'S EVE BE SILENT!

Sincerely,

Connie Cosgrove

President
